Enjoy a warm welcome and stunning view of the New York City skyline at the Sheraton Suites on the Hudson. Located just five minutes from

midtown Manhattan, you can walk right outside our doors to board the New York Waterway Ferry and ride to NYC attractions.

Venture over to New York City and pay a visit to Radio City Music Hall, Times Square Ticket Booth, and South Street Seaport or experience world-

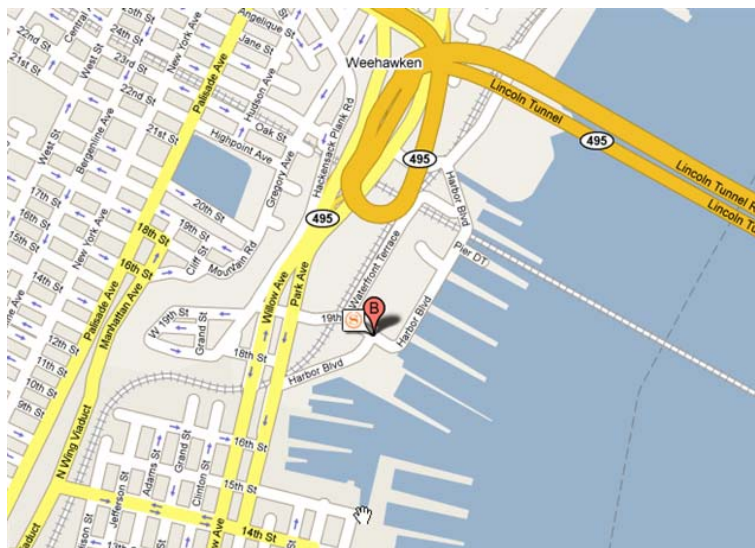

renowned exhibits at Metropolitan Museum of Art and the Museum of Natural History.

After a full day of business or sightseeing, relax in one of our 347 comfortable suites, each featuring a cozy duvet and plush pillows on our Sheraton Sweet Sleeper Bed. Stay connected with the people who matter most with High Speed Internet Access, offered in each room.

The Harbor Bar and Brasserie is our modern interpretation of a traditional French brasserie. Freshly baked pastries and specialty grilled doughnuts are available in the morning, gourmet sandwiches and familiar American staples including “mac and cheese” and chicken pot pie in the afternoon and evening, and signature cocktails at night.

From our convenient and comfortable accommodations to unique dining choices, embrace the vibrancy of New York City at the Sheraton Suites on the Hudson.
